

**ICS** is the only expat club exclusively for men & women in Slovenia. It is a purely voluntary organization, that is run by the internationals living here for expats.

**ICS** is a terrific way to meet other expats that makes your stay here so memorable.

**If** you are an expat & would like to meet others in a really relaxed & fun environment all that's necessary is to sign up on our website.

**Our** members are able to download our monthly newsletter or sign-up for an activity all thru our website. We send out monthly info-emails to our membership to let them know what activities are on for that week or month.

**ICS Activites** are as diverse as our membership. Our interest groups are on-going monthly or seasonal activities that our members really enjoy. Some are run by ICS & other events are run thru members' businesses\*\*. We enjoy supporting the expat community by advertising & promoting their business as well as any fun activities they offer. Here's

a short list of the kinds of on-going interest group activities we offer & promote: ICS Hiking, ICS Band & Jamming group, ICS Tennis, ICS Water Aerobics, ICS Girls Nite Out, Friday Nite Drinks\*\*, Irish Dancing\*\*, Boardgames\*\*, Yoga in English\*\*, Guinness Laughter Lounge Stand-up Comedy\*\*, ICS Walkathon & ICS Special Holiday Dinners. \*\*Separate groups run by members

**Every month** we host special events just for that month. It is only limited by the imagination of our event coordinators who come up with the idea & run the event. We have run everything from paintball, rafting, biking, golf days, murder mystery dinners, bowling, to special weekend trips. We like to keep it as interesting & diverse as possible to meet the needs of our international family.
